Bernard Bunny

One Day Class

Kit Cost: \$

Proficiency Level: Intermediate

Bernard Bunny is a charming three-dimensional figure that is a must for your Easter Basket. Adapted from a Mosey and Me quilt pattern, the body is worked on 18ct white Mono canvas and is stitched in a variety of threads and patterned stitches.

The design measures 6" x 8" and includes Basketweave, Satin Stitch, Byzantine Scotch Variation, Woven Plait, and Padded Giant Brick Stitch. The ears are stitched separately and attached using an appliqué technique that allows them to be bent and add dimension. Attachments include buttons, watch and a chain.

Finishing instructions will be discussed in class.
